

Hello Governor! ①

Mrs. Nikki Haley!

Hello, I've been wanting to write to you; you know we have been friends for a long long time! I must say

that since being Governor you really have sparked up your looks: I guess it's all that hard work that's keeping you all turned up, but I'm glad that you ditched the old white plaid

who loves South Carolina, and that  
wants to see her prosper! I'm thinking  
In good health, morally! and also  
help keeping the thieves out!  
I'm, laughing, now, Nikki!  
but aint it so? well,  
my, Friend, If I ~~can~~ can help  
you in any-way just drop  
me a line, and I'll come  
running!

I send my love, and prayers  
to everyone! Audie -

jacket, in love w the pastels!  
They work better with your  
complexion, and dark hair!  
I've always been a big  
Fan of India; they have  
made big improvements in  
the recent years: I was  
hoping that they could do  
something with a settlement  
in Iran! I'm, laughing, now,  
Nikki! but if Iran keeps  
flashing around their nuclear  
capabilities, it might not

I didn't have your "mansion",  
address, so I just sent it to  
the legislature's post office, at  
the Capital!

Oh, I did see your son, and  
daughter on T.V., one day!  
It must have been around  
election day, but they were  
both growing, and I guess,  
by-now, that they are grown!  
It would be nice to see them  
involved one day: we need  
dedicated, committed, people

③

be a bad idea! I see your husband occasionally on T.V., I understand that he is still involved in the military: Maybe he will soon retire from that involvement, I hope!

I'm doing okay, not as good as I might like, but I'm settling in! I'm, laughing again, Nikki! I was in hopes that they would build a new Governors Mansion!

people miss it completely!

There is a way to tell if you are on line; God's not going to leave us in the dark, but we must get there, staying lost is not the thing to do.

I say, get saved, stay saved, and live a God filled life that you're happy with, and that God's happy with!

It can be done to every body's satisfaction, believe it, or not!

The old site at the state hospital, off ball, would be the most practical: It has about 25 acres of land, and beautiful trees, and has a great location: The current house could be passed to the Attorney General, or made into a guest house for dignitaries that visit the state, that you approve! We need more room for parties, and Balls, and gatherings! More socials!

⑨  
"or, maybe the attorney general's  
office, or, the secretary of state,  
we need you to stay in some  
Capacity! Write, sometimes,  
when you get a chance, I'll  
write and preach a little to  
you: I'm not one of those,  
"you're going to hell if you don't  
change, right now!" preachers!  
I wait for the weekend, or  
until the weekend! I'm, laughing,  
now, Nikki, but salvation  
is serious business, and most

⑤  
I would approve, ~~an~~ additional  
Mansion for special guest  
that you want close by:

you may want them in walking  
distance, (for you, and them)!

you know Larry Swoms,  
and I are special buddies;  
I've been knowing his mother,  
and Father for years, since  
we were all children: Pat  
is wonderful, she would be  
very helpful in just about  
any capacity that you might

⑧

first one! We all need Salvation,  
we're going somewhere for  
eternity, It better be Heaven!  
Hell's not the place that we  
want to, "stop over at," to put  
it nonchalantly! I'm,  
laughing, now, Nikki, I really  
do think a lot ~~of~~<sup>OF</sup> you;  
you have done an exemplarily  
job managing the state, I was  
hoping that your husband would  
run, and you could still  
be involved indirectly! directly!

think of! Seriously, I'm not  
pushing her forward for  
consideration for any thing:  
but I just wanted you to  
know that Pat is very very  
capable of performing, ~~in~~ in  
any great task! It's good  
to know where capable people  
are-at, in times of great need!  
Now she's getting old, but  
she could head up, and lead!  
Her Father was a old  
grocery store man, in

St. Stephen for years, and years,  
and old Irishman that understood  
work, and how to treat his  
Customers! Pat, and the rest  
of the Family, Shanda, Ozzie,  
Shellie, and Mrs Taylor,  
(Wanda) all worked in the store  
every-day, including Saturday's,  
so you see the Taylors were  
fine people, a blessing to  
our Community! I, normally,  
preach, to my letter receivers,  
I'll let you go the hook on the
