Good afternoon, Matthew:

You will have a counter by 5:00 pm on Monday, which is the timetable I understood was discussed on the call earlier this week with Judge Duffy. The counter will be produced with the understanding that neither Governor Haley nor Director Alford will have had an opportunity to meet and discuss before the production. Have a great weekend. Becky

I hope you both had a good week and got back to some normalcy at work and at home. I was just checking before the weekend started about when we will receive the responses on the settlement agreement items following yall's meeting with director Alford. If for some reason you cannot send us all of it now, we would appreciate a rolling production so we can get started on our work prior to the in person mediation a week from Tuesday. Thank you very much and have a good weekend, Matthew
