**RESOLUTION**

The Commission on Higher Education notes with regret the recent death of one of its most respected members, General Hugh Pate Harris. General Harris had an outstanding military career, served with distinction as president of The Citadel, and gave unstintingly of his services to numerous civic and voluntary causes in South Carolina and the nation. He was a patriot and a gentleman and all who knew him have lost a valued friend.

Adopted by the Commission  
November 8, 1979
