---

Hi Lucy,

We don't anticipate she'll be doing any press on election night, but if that changes, we can let y'all know.

Hi Rob and Chaney,  
Wondering if Gov. Haley is available to speak with us during our live election coverage on November 8? Our programming begins at 8 pm ET and ends at 4 am ET. The conversation would be live and about 5 minutes by phone, so she wouldn't need to go to a studio.  
Please let me know what's possible!  
Thanks,  
Lucy
