The clerk sent me to the Sgt at Arms office who sent me back to the Governor's office... where I waited on hold with no one ever answering.

Do you have any other contact info you can provide?

I just need to know if my photographer can bring his own camera in to the chamber.. and if not, is there a pool feed that he can plug into.

Does he need credentials.

Who is my contact on logistics?

Can we have our own camera in the chamber?

Is there a pool feed we can plug into to record?

Those kind of questions...

Thanks,
