Subject: TIME magazine on the Confederate flag and Gov. Haley

Hi,

I'm a reporter for TIME magazine, pleasure to e-meet.

I understand Gov. Haley is going to propose removing the Confederate flag from the SC Capitol. I've heard that she's going to outline a pathway to do so and discuss it as a sensitive symbol. Can you confirm? Would appreciate getting some good, more reliable information on background before she announces.

Thanks you so much. Grateful for the help—
Sam
