Per Mike Pitts his wife is currently in the hospital and he's focused on that right now.  
If we have any materials for him to review - please email him. He will follow up with us once his wife is out of the hospital.  
I'll keep DB posted.  
Thanks, KV

Good afternoon Representative Pitts,

Hope you are well – I just tried your cell but wanted to follow up with an email as well. Our office wanted to touch base with you regarding recommendations from the Domestic Violence Task Force. We would like to share some background information with you that you and your subcommittee may find helpful.

Would you be able to meet with us for a few minutes next Tuesday when you're in town for session?

Sincerely,

Rebecca
