Subject: RE: Updates: SC DOR Security Breach

KV, thanks for the update this morning. How much lead time do you need to schedule someone to come to our area to meet with a group of people to discuss the breach, and I am getting a lot of questions about the exchange and the implementation of the health care in SC. Is there a website on this to make sure I am explaining this correctly and is someone going to be available to explain the various options available? Thanks again for your work on this, Ralph
