The waiver says many seniors only eat the meal we provide for the day. The newspaper article says she cannot make the seniors come to the site. If they have no other meal option and this is their only meal, do they eat only when they want to come to the site?

Tony will you be sending me a letter on the waiver request for Marlboro County (Sara Musselwhite) or should I just tell her that she needs to provide additional information to support the need for a waiver? Please advise.
