Thanks – I'm going through this and will get with you this afternoon, either in person or by phone. Depends on how long my 1PM goes with HHS' budget folks.

In the meantime, this was just posted:

Hey Christian,

An updated RFI is attached. This version incorporates changes that John and Jeff suggested. Please look it over and let me know your thoughts. If you want to give me feedback over the phone, I'm available anytime after 2:30 this afternoon. John is going to be at a conference all next week so hopefully we can finalize this by Friday. I'm not sure what the process for release is, but I suspect he will have to take care of that. Feedback on the timeline would be great.

Thanks!

Erica
