Joy Plasko Turner She's a biggie :/

at 18:12:19 on 5/27/2014 UTC

Donna Compton Sutherland Scorpion? we have scorpions here?

at 18:44:36 on 5/27/2014 UTC

Wayne Trainor No one told you to bang your shoes on the floor before putting them on

at 23:45:35 on 5/27/2014 UTC

Trish Brite Yes we do have scorpions in South Carolina. They are not poisonous like the ones in New Mexico and Arizona but they can sting you and it is similar to being stung by a bee or wasp. I've picked up things twice in the last two months that had scorpions under them. I don't like them. ;(

at 2:09:31 on 5/28/2014 UTC

Vickie R Givens Think I would be more concerned abt the black widow.
