---

Hi!

I have a quick question - is there a way to upload documents onto the official LG website so I can have a link that would go directly to an online PDF (but the url address would be for our website?)

Thanks!  
Tori Beth

Tori,

It was nice meeting you today. I have attached the slides we used for today's briefing. I will follow up with the disaster cost data request early next week.

Regards,

Kim
