Tori Beth, I think, mentioned that he wants to do a press conference on Tuesday, and it probably will be around 5--whenever he gets to ratify the budget act. We also need to schedule in about 30 minutes in the office for him to do a hurricane season PSA. Senator Climer wants him to attend an event for Ralph Norman at Nexsen Pruett upon adjournment, and he should stay about 20 minutes. And there may be a need to get coffee at IMAC for 20 minutes or so--I'll know later today.

TB will keep you posted on the press conference details and the PSA. I'll let you know about the coffee at IMAC when I know.
