Dear Nikki,

This is it.

Election day is upon us. **We, as conservatives, have much to look forward to.**

All signs point to a Republican Congress. This would give conservatives an opportunity to propose real reforms that make life better for the American people.

But we can't get too comfortable.

It will be hard work to repeal Obamacare, halt amnesty, restore constitutional government, and get America back on course.

All too often, politicians campaign on conservative principles but vote like liberals once in Washington -- growing big government, big debt, and big problems.

And Heritage Action's Sentinels, elite conservative activists located in key congressional districts, are our first line of defense.

Two very generous donors were so inspired by the Sentinels' work that they are challenging all Heritage Foundation and Heritage Action supporters -- including you -- [to give \\$2 million to support our fight for conservative victories.](http://click.heritage.org/OoVoHa2To300rMesoLos3WH)
[<http://click.heritage.org/OoVoHa2To300rMesoLos3WH>](http://click.heritage.org/OoVoHa2To300rMesoLos3WH) If we reach the goal in time, they will give another \$1 million, for a total of \$3 million dollars to enact real conservative change in Washington!

Nikki, the deadline is tonight at midnight.

Rise to the challenge, and [donate online to this challenge right away.](http://click.heritage.org/n0MHotMo32reoTHoW300sVa)

After the election, the real battle begins. It's time for conservatives like you to stand up for your principles, accept the challenge, and take America back!

Nikki, the final hours of our President's Club Challenge are upon us and [I'm counting on you to make a bold stand for conservative victories now, in 2015 and beyond.](http://click.heritage.org/NH0ovM2s0003HVToOraoW3e) <<http://click.heritage.org/NH0ovM2s0003HVToOraoW3e>>
