The Honorable Nikki R. Haley
Office of the Governor
1205 Pendleton Street
Columbia, South Carolina 29201

Governor Nikki R. Haley:

Summit Parkway Middle School will be hosting its 3rd Annual Cultural Awareness Showcase on **Thursday, April 30th at 6pm** in the school's gymnasium. The purpose of the showcase is to help students develop a deeper understanding of another ethnic group while focusing on the inward beauty each student possesses.

This is not an ordinary Showcase, however. Contestants will select and research an unfamiliar ethnic group. In a pageant-like format, they will display in a creative way what they have learned. Judges will critique four scenes that will highlight the qualities of each contestant: casual, talent, culture, and formal. All of the contestants will be winners. Therefore, the purpose of the judges will be to select which superlative each contestant will receive according to their performance.

We value your professionalism, judgment and certain your critique will be fair and impartial. Accordingly, will you be able to volunteer your time as a judge?

Thank you for your consideration!

Mrs. Esther Clervaud, MAT
7th Grade Social Studies Teacher & Team Leader
