Subject: Solar Energy Bill, S.1189 – Ceremonial Bill Signing - Dates

Nicole –
Can you email me a couple dates for the Solar Power bill signing. The bones of the brief are below.
Once we have the date and time confirmed we will work on confirming the location.
Thanks, KV

Q & A – a podium

BACKGROUND INFORMATION:

- ☐ S.1189 was signed on June 2, 2014
- ☐ Allows solar energy systems leasing by non-utilities in South Carolina, updates net metering policies, establishes a voluntary Distributed Energy Resource program for utilities and allows utilities to recover renewable energy costs by using the annual fuel rider.
- ☐ S.1189 is a balanced compromise bill developed by electric cooperative, investor-owned utilities, solar power proponents and conservationist to open the way for more distributed energy production in South Carolina.
- ☐ Other significant pieces of clean energy legislation signed this year H.3125 also known as the Clean Energy Industry Manufacturing Market Development Advisory Commission.
