Bill,

Hope all is well with you. When we last spoke you mentioned that plans were under way for a meeting regarding the Lexington transportation project. At that time you mentioned you might want me to participate in that meeting. Just checking to see if a date and time has been selected and if you still need/want me to participate. I am happy to do whatever you and Steve deem appropriate to accomplish the goal.

Thanks again for taking on this important effort to get seniors to services.

Coretta
