We are now preparing the Fall 2018 edition and request your assistance again to update the listing. Please e-mail or fax us your corrections by Thursday August 16, 2018. Please ensure that the following information is contained in your organization's listing: exact name, address, telephone number, fax number, internet address and e-mail address of your organization; names, titles, direct-dial telephone numbers, e-mail addresses of the staff for your office and 2017-2018 actual budgets (total money spent).

To reply via the web/e-mail: Simply click on the link located at the bottom of this e-mail. Use this web page to make any edits or changes to the listing. Once completed, click the "Submit" button at the bottom of the page. After you click "Submit", scroll to the bottom of the screen again and click the "Confirm" button located in the lower right-hand corner. Once you click the "Confirm" button, your edits will be automatically submitted via e-mail. If you do not click "Confirm", the update will not be sent to us.
