We are sending this information to Frank Knapp based on his request as follows:

"I [Frank Knapp] am requesting that the Office of Regulatory Staff (ORS) provide me the cumulative new revenue for SCE&G approved by the Public Service Commission (PSC) under the Base Load Review Act from January 2009 through December 2015...."

This shows the cumulative total to be \$1,054,796,800.00

This may be in the media. Thanks. Dukes
