---

Dear Ms. Katherine,  
Greetings from Sri City!

Was pleasure to have met the Governor at the India- US technology Summit. Here is the brief profile of Sri City for your future reference. We will be glad if we can work on some common platform in near future.

Sri City is **South India's largest DTZ-SEZ-FTWZ destination.**

Spread over 7,000 acres, Sri City is an integrated development consisting of a Domestic Tariff Zone (DTZ), Multi-Product Special Economic Zone (SEZ), and a Free Trade & Warehousing Zone (FTWZ), along with various residential, educational, lifestyle and leisure amenities.

**ADVANTAGES OF SRI CITY:**

1. Located 55 km north of Chennai on NH5, on the Tamil Nadu- Andhra Pradesh Border
2. 90 min drive from Chennai and Tirupati International Airports
3. 50 km from Ennore Port | 65 km from the Chennai Port | 100 km from Krishnapatnam Port | 45 km from Katupalli Port
4. Access to a large, educated talent pool that resides in both Tamil Nadu and Andhra Pradesh
5. Robust world-class internal infrastructure
6. Stable power supply

**ELECTRONIC MANUFACTURING CLUSTER (EMC)**

Sri City envisions creating a world-class, sustainable environment to house activities such as electronics R&D, design, and manufacturing. Sri City also aims to provide all the necessary infrastructure that would be required for electronic manufacturing. The Electronics Manufacturing Cluster will be a dedicated electronics zone within Sri City, and will enjoy all the tax benefits offered by the Central & State governments.

**Sri City ICT Zone**

**Sri City has an exclusive Zone for the Information and Communication Technology Manufacturers as well as 130,000 SFT of plug- and-play built-up space specifically designed to suit the needs of the sector within its Special Economic Zone.**

**GLOBAL CUSTOMER PORTFOLIO:**

Sri City is already home to over 100 companies including Cadbury's, Pepsi, Colgate Palmolive, Kellogg's – USA, ISUZU, Kobelco – Japan, Alstom- France, Danieli, Lavazza- Italy, Rockworth –Thailand, ZTT - China only to name a few. Sri City is truly transforming into a destination for "global businesses" considering its units represent 25 countries across 5 continents already.

Thanks and Regards,  
Namit Kanchan
