---

Hi Debbie,

I hope you're well. The Governor will be unable to visit with the visitors from Lander University as she will be out of the office on April 5, 2013. You're welcome to have them come by the office and I may have a senior member of our staff speak with them if appropriate. Please thank Senator Nicholson for his consideration.

Sincerely,  
Leigh LeMoine

Katherine,

I cannot find the email for Leigh the scheduler. Senator Nicholson was hopeful that Gov. Haley might have time on her calendar on Friday, April 5 to meet with some folks from Lander University and their visitors from Rajamangala University. (see details below)

Thanks.

From March 18 - April 18 The Office and International Programs at Lander University will be hosting 20 faculty members (mostly Business) from Rajamangala University (one of our sister universities) in Thailand for an English Language and Culture Program. The main focus of their time is to improve their English but we would like to include a smattering of other topics (healthcare, education, government, etc.) that may interest them. We were hoping that on Friday April 5 around 10:30 we might be able to meet up with someone at the state house for a tour and to possibly meet you and Governor Haley? Thank you for your consideration and support of The Office of International Programs. Jeff
