The Honorable Nikki R. Haley
Office of the Governor
1205 Pendleton Street
Columbia, SC 29201

Dear Governor Haley:

Hello! I hope this letter finds you doing well. I had the honor and the privilege of visiting your beautiful state back in 2007. Some associates and I spent a few days in Laurens, Laurens County meeting with other like-minded individuals at the old theater there known as "The Red Neck Shop". A productive and enjoyable time was had by all.

Please allow me a few minutes of your valuable time to address a few items with you. Enclosed you will find some materials from the American Freedom Party and their 2016 Presidential Candidate Mr. Bob Whitaker (a South Carolinian). You may recall that Mr. Whitaker was an official in President Reagan's administration. His campaign is based there in Columbia. I will be volunteering for his campaign.

I understand that the TV People thought you were being mean to Mr. Donald Trump with your comments during the State of the Union rebuttal. I have watched Mr. Trump for many years- personally I think he has the right message but he is the wrong messenger. Please be nice, though, you both may be sharing the ticket in November.

Also, so much is said about "culture" these days. One of the last vestiges of "white" culture was that ol' Confederate Battle Flag. I try to look more towards the future these days and less back at the past. Still, it looks as if you broke all those white people's hearts...

I will close for now. Thank you very much for your time and attention on these matters. Please contact me with any questions or comments you may have. May Providence bless you and guide you in your work. I remain,

Very sincerely yours,
