Rob,

Please review the draft release regarding the Cat Claims Center scheduled for Bluffton beginning tomorrow. We are continuing to update the list as more companies confirm (prior to issuance; will continue to update after as well).

Director Farmer mentioned this during last night's call and I believe that Governor Haley is planning to mention this during her morning press conference. With that in mind, please let me know if it is OK for us to send out the release this morning or if you would prefer for us to wait until after her press conference.

Thanks,

Ann
