Subject: State of State Speech

Gov. Haley,

For the first time in my life ,I watched /listened to a full State of the State address and it was well worth it. You were GREAT and quite bold asking the Senate Members to stand if in favor of reform. You were quite clear that education dollars were going to K-12 so thanks for including some SC State priorities in your budget.

Another proud moment for You, !!!

Regards,

Milton Irvin
