**Done. She swears delivery tomorrow, but is now saying 42,000 forms (even skids), with the rest on Monday. Tami will communicate the shipping confirmation number and info to me as soon as the shipper returns her call. Note the time difference. Her e-mail was sent after 6:00 PM her time. We will start the vendor complaint process on Monday.**

**I have spoken to Tami at American Decal. She appears to speak with forked tongue. I asked her to re-verify everything she told Cathy and me on the telephone about the deliveries (60,000 delivering to us Thursday and the remainder on Monday), and e-mail me the status. I will keep you posted.**

Have by tomorrow or ship tomorrow. Shipping by truck will take a long time. Please find out and advise.

Fred, I just spoke with Tami at American Decal. She said she spoke with Steve about 5:00 PM yesterday and sent Steve and Nancy an e-mail late yesterday afternoon late informing them that they did not make the UPS shipment for delivery today, but would have 60,000 to us by truck tomorrow (Thursday) with the remainder of the order to follow Monday.
