9:45 AM call with the Post and Courier's Brendan Kearney. Brendan is covering the rollout of the first Dreamliner from the North Charleston Boeing facility and would like a few minutes on the phone with the governor to talk about the significance of this event. Brendan Kearney, Business Reporter, The Post and Courier, Desk: 843-937-5906, Cell: 443-838-4485. (3-5 minutes)

11:00 AM call with Pete Iacobelli, The Associated Press here in South Carolina. Peter is a sports reporter who is covering the Heritage this week. He has asked for a few minutes with the governor "to discuss the sports scene in SC and how important it is to her." This is a great opportunity to reinforce our positive message about all of the work the administration did to save the Heritage and what an impact that has on every part of the state. I would also expect that he could ask you about the confederate flag and the NAACP boycott that keeps the NCAA from playing some post season events here, and which has cost the Grand Strand the ACC baseball tournament in the past. 803 917 7646 (10-15 minutes)
