Good Morning All,

We hope those that were able to attend last week's procurement webinar with FEMA found it valuable. The slides have been uploaded to the SC Recovery Grants homepage under the "Forms" tab should you wish to review or share them. Please follow this link to find them:

If you still have procurement questions, please let us know and we can forward them to the FEMA team, but please understand this team is deployed so their response may be delayed.

Thank You,
