Hey Richele, Thought maybe I should forward this to you after thinking back on it. I know Austin is out of town so thought I would send the attached to you as well to make sure Governor had it for press conference in case he hasn't had a chance to see my email and forward it on.

Thanks!

Directors,

The Governor will be holding a press conference tomorrow (11/29) at 10:30 am at the Statehouse to release a round-up of Hurricane Matthew costs. It will be similar to the flood costs press conference she held last year. Please let me know if you can attend.

Best,

Austin
