NIKKI R. HALEY
GOVERNOR

1205 PENDLETON STREET
COLUMBIA 29201

Dear Friends,

On behalf of the people of the Palmetto State, I am pleased to welcome you to the dedication of the William Jerry Wood Life Skills Center at the Airport Campus of Midlands Technical College.

Funded through the generosity of Bill and Lou Kennedy, and named in honor of Mrs. Kennedy's father, the William Jerry Wood Life Skills Center is a major asset for the Midlands Technical College community. From the tools to help ensure academic achievement to the final polish that contributes so much to success in the workforce, the William Jerry Wood Life Skills Center will play a significant role in preparing students for the future, much as Mr. Wood once did by training prospective employees in classes at Midlands Tech.

Michael and I thank everyone for helping to make this innovative program available to our residents. South Carolina is lucky to be home to Bill and Lou Kennedy who give back to the community and, in so doing, give people the promise of a brighter future. God bless.

My very best,
