Governor Haley,

It Is Extremely URGENT That I speak with you about a homeland security breach in this State. No I will not talk to anyone on your staff. If you choose to ignore this information that is your prerogative. A copy of this letter will be saved just in case there is an incident that actually takes place. Thank You.

Rick Tebbs 843-997-1901

I rescue . My fondest wish is to go to sleep one night knowing all animals are safe.

RH Tebbs, Founder and Director of
Circle of Life Cat Sanctuary.
