Dear Governor Haley,

Sherie Williams-Bartare called to tell me you were appointing a new RDH Board Member. Knowing my interest in this position she asked me to write you regarding this appointment. I have been a dental hygienist for 45 years, 24 of those years in the state of South Carolina. For the past 7 ½ years I have been employed by Dr. Tim Assey in Mt Pleasant, SC.

The main focus of my hygiene career has always been patient care. Ensuring the profession is protecting the patient's needs and the quality of care is of the utmost importance to me. To be able to serve on the South Carolina State Board of Dentistry would enable me to give back to my profession and secure the highest level of care for future generations.

Please consider me for this appointment so I may continue to serve my dental community and the great state of South Carolina.

Sincerely,

A handwritten signature in black ink that reads "Dianne Harris, RDH". The signature is written in a cursive, flowing style.

Dianne Harris, RDH
