Subject: WCBD Question

Hi Chaney,

This is probably a longshot, but here goes.

WCBD would love to come up to Columbia tomorrow morning (Tuesday) and interview Gov. Haley ahead of her GOP response to the State of the Union address.

I think our viewers here in the Lowcountry would love to hear how she's preparing for this big moment, and how last year's major events (church shootings, confederate flag, flooding) increased her visibility and respect not just here, but around the country.

We wouldn't take up too much time... probably 10-15 minutes... and we are flexible on the timing.

Please let me know if this is possible... and thanks!
