HEALTH & HUMAN SERVICES

Should Hospitals Limit the Number of Patients Nurses Can Help?

The medical community is divided over a November ballot measure that would make Massachusetts only the second state with such staffing requirements.

POLITICS

Sorry Politicians, You Can't Block Critics on Twitter

Courts have ruled that access to public figures on social media is a constitutional right.

VOICES OF THE GOVERNING INSTITUTE

Cities and the Big Payoff for Digital Transformation

Albuquerque has made a lot of progress in recent years. There are lessons in how it jumped to near the top of the rankings.

NEWS IN NUMBERS

\$10 million

Campaign spending by three progressive groups, between now and Election Day, on digital ads to help 75 state legislative candidates in places that will play a big role in redistricting.

MORE

WHO SAID THAT?

"The student will place their hands on their knees or piece of furniture and will be struck on the buttocks with a paddle. ... No more than three licks should be given."
