---

Thanks! We'll change it.

Sorry - got this a little late. The contact information the Commission has for me is out of date. My cell number is the one below. Also, my current work email address is [Christian.Soura@scdhhs.gov](mailto:Christian.Soura@scdhhs.gov). We're in the process of shutting off this Governor's Office account. I'll let Brent know, too. Thanks.

Good Afternoon Mr. Soura,

This is Marcus Finney from SC Commission on National and Community Service and I'm heading up the new Commissioner Engagement Committee. I just wanted to make sure I had the chance to reach out to you about attending an event this weekend if you had time. We are trying to get as many Commissioners involved as possible and we would love it if you could attend at least one of these events. The National Swear-In Day activities will be happening around the State on Friday and Saturday is our 9/11 National Day of Service.

I have attached the files that show when and where all the events will be happening. If you are able to attend, could you email me back and I'll make sure to put you on the schedule.

Thank you very much and I hope you can join us!
