Subject: My announcement

Katherine,

This week's convention is a time for us to unite behind our core values of limited government, free enterprise, low taxes, and a strong national defense.

But the convention also marks the official beginning of the 2016 general election.

And while the media is solely focused on the presidential election, we must not forget about the House and Senate - our last lines of defense against the possibility of a Hillary Clinton presidency.

No matter what - we must do everything in our power to protect our majority in Congress.

As Speaker, it's my personal mission to protect our majority in Congress. **That's why, effective immediately, I've authorized the formation of the official 2016 Speaker's Fund.**

The goal is simple: to preserve and protect our conservative majority in Congress.

Are you in?

>>> Pitch in \$25 Immediately <<<

>>> Pitch in \$50 Immediately <<<

>>> Pitch in \$75 Immediately <<<

>>> Pitch in \$100 Immediately <<<

The consequences of losing the House would be dire, and the danger we face this election cycle is unprecedented.

To combat Hillary Clinton and Nancy Pelosi, I've set an ambitious goal of raising \$1 million into the Speaker's Fund by the end of the week.

Will you join me in the fight by contributing \$50 to this incredibly

crucial fund?

Katherine -- if we unite around this important mission, I am confident we will be successful.

Sincerely,

Speaker Paul D. Ryan

P.S. A group of generous conservatives have pledged to double every single donation to the Speaker's Fund if we receive 5,000 donations by midnight tonight.

We can't let this incredible opportunity pass us by.
