Dear Mr Tony Kester,

SMi are delighted to have **Lisa Hardwick**, Research Scientist from **Baxter Healthcare**, present an exclusive address at the 2nd annual [Lyophilization USA](#) event which will return to Iselin, New Jersey next month.

With a focus on residual water content, Lisa will be giving strategic guidance on optimizing drying processes and maintaining stability through analytical methods, helping you to customize your own freeze drying cycle. In the run up to her presentation, SMi Group spoke to Lisa about industry challenge's and future developments. Visit the [download center](#) to read the full interview.

Will you be joining us in New Jersey next month at **Lyophilization USA 2016**? If you haven't made a decision yet, here are 3 key reasons to attend:

1. CONTENT

This year's event will focus on driving lyo-productivity through practical QbD and advanced technologies. The packed agenda features:

- Over **15 thought-provoking presentations** from leading pharmaceutical organizations and industry experts such as **Pfizer, Novo Nordisk, Genzyme Corp, Allergan, Genentech** and **J&J**.
- Spotlight sessions on **formulation** and bio-processing.
- Progressive insight into new freeze drying technologies and best practices on **maximizing productivity**.
- Discussions around marrying science with **commerciality**.
- Topical **panel debates** to both new and seasoned stakeholders.

Take a look at the speaker line-up and detailed conference agenda.

2. INDUSTRY PROFESSIONALS ALL UNDER ONE ROOF

With over **4 hours of networking**, Lyophilization USA provides the perfect platform to build strategic partnerships and secure future collaborations. Some of those who have confirmed include:

Abbott, AbbVie, Aurobindo Pharma USA, Cerulean Pharma, Endo Pharmaceuticals, FDAPharma Consulting, Fresenius Kabi Austria GmbH, ImmuCell Corporation, Jamjoom Pharma, Janssen, LifeCell Corporation, Lyophilization Technology, Momenta Pharmaceuticals, PAREXEL, Patheon, Steritech Solutions, University Of Connecticut, W.L. Gore & Assoc + many more....

Visit the [download center](#) to take a look at who attended last years sell-out show.

3. TWO EXCLUSIVE POST CONFERENCE INTERACTIVE WORKSHOPS

Sign up for the hands on training workshops taking place on April 29th 2016. [Click here](#) for further information or [contact us](#) today for a package to attend all **3 days**.

WORKSHOP A: 08:30 - 12:30

Lyophilization – Development through Tech Transfer | Hosted by **Steritech Solutions LLC**

WORKSHOP B: 13:30 - 17:00

An Empirical Approach to Formulation and Lyophilization Cycle Development of Parenteral and Diagnostic Products | Hosted by **AB BioTechnologies, Inc.**
