Sorry – Ted's offsite this morning and didn't have his calendar handy. He and I have a meeting with the Governor and others from 4 until 5:30. Is there any chance the call could be moved up sometime between 2 and 3:30 tomorrow instead? Thanks.

Christian

We are all set for 4 tomorrow afternoon. I'll ask Ashley to set up a conference call bridge.

Fred,

Yes. How about tomorrow Tuesday afternoon at 4?

Let me know if that works.

Ted,

The comprehensive university presidents have taken note of Clemson's Enterprise bill and CU's effort to acquire some level of exemption from the state's procurement and grievance acts. Is it possible that David DeCenzo and I could arrange a conference call with you to discuss the Governor's position on this legislation as it may pertain to the other universities in the state?
