Debra: For your use, attached is an updated single pdf with the addendum and a couple of minor spacing and consistency corrections. Please use this version for distribution to your review committee and the Board. Several of the pages in the pdf are meant to be printed on 11x17 paper. In order to help you with printing, I will send the sheets that need to be printed 11x17 size in a separate email to you in a few minutes.

Thanks,

Mrs. Rountree:

Please accept this addendum to SCDOT's previously submitted ACT 98 Compliant application. The purpose of the addendum is to provide a frame of reference for the proposed SCTIB financed projects in a recommended larger and blended state and federal funds Interstate Program. We hope this information is helpful and look forward to working with you on this proposal.

Thanks,

Christy A. Hall, P.E., C.P.M.

Mrs. Rountree:

Please find attached SCDOT's application to the SCTIB in accordance with Act 98 of 2013. I am submitting this application on behalf of the SCDOT Commission and Secretary Robert J. St. Onge, Jr.

I trust the information in this packet is thorough and meets the requirements you had outlined to us. We have provided project and program level information within the packet in accordance with SCDOT Commission guidance and follows three principles:

1. Follows ACT 114.
2. Takes good stewardship action soon.
3. Focuses on large capital projects on the Interstate.

Please do not hesitate to contact us for additional information or clarification of any items in the submittal. Thank you in advance and we stand ready to assist in your review of the application.

Thanks,

Christy A. Hall, P.E., C.P.M.
