I just received this. It looks like we now have everything we need.

I will request the BG and credit check.

Thanks,

Hi Katie,

This is the magistrate paperwork that I mentioned to you a couple of weeks ago. Senator McElveen would like to have it processed before the current legislative session times out. I know there are multiple things in play for these to be approved. Per Senator McElveen, Mr. Jackson is a member of the Governor's Ethics Task Force. Does that help with the background check?

Thanks,
