KV, let's proceed as Halti recommends below. Can you please handle with Rep. Brown and the requester?

I have not gotten a request like this before. I recommend declining and not sending to anyone else since they called us. Our office should respond and offer a our condolences and a letter. Just my thoughts based on the info below.

I think we generally send these type of things through Halti. Based on the late notice I am uncertain how we can have somebody speak. The Governor is out of town and unavailable, Since the request involves law enforcement, could we punt to Chief Keel or Sheriff's Association?

Good Afternoon,

I received a call this afternoon from Rep. Grady Brown. One of his constituents Ms. Abby Denny's uncle died this morning. His was appointed Sheriff of Bishopville by then Governor West. Ms. Denny would like for someone from the governor's office to speak at his funeral on Monday at 4:00. She believes this request is appropriate because her uncle and his wife were both legends in the town of Bishopville. Her uncle designed the badges for the sheriff's department and even received the Order of the Palmetto for his lifetime of service. Funeral services will be held at Grace First Baptist Church. Ms. Denny would like to know who will be able to speak at the services so it can be put in the church bulletin. She can be reached at (843)687-6100.
