Hi Jimmy,

Please find attached the quote that you requested. Our shipping department has told me that we could have these units to you as early as the middle/end of next week depending on your ability to purchase - we would ship based on a signed credit agreement that could be executed to expedite things should the terms be acceptable.

Feel free to contact me should you have any questions regarding this or any other DL/ID security related issues. My cell is (516) 567-8046 in the event you can't reach me at the office number(s).

Best regards,
Geoff
