### **SUGGESTED TALKING POINTS:**

- Thank you all for being here today.
- During the last four years, I have recruited companies from throughout the nation and the world to come to South Carolina.
- Now, I'm focusing on making sure our workforce develops to continuously meet the needs of businesses.
- The business community has made it clear to me that it needs skilled workers. It wants to hire South Carolinians.
- I've asked our workforce development system as a whole to ensure it continues to produce skilled workers with a globally competitive reputation through the SucceedSC initiative.
- I've asked all of you to be here today because I recognize you have the ability to help transform our workforce system through your understanding of workforce development issues.
- I'm inviting you to join the Workforce Task Force where you will help create a statewide strategic plan to address the skill gap that exists in our state.
- Building off of the Council Competitiveness's Clusters, developing workforce strategies that provide a pipeline of skilled talent is essential to SC being able to continuously attract and retain high quality jobs.
- We have a tremendous opportunity here to transform so many South Carolina families' lives for the better.
- I thank you upfront for your commitment to this initiative and I look forward to hearing your recommendations to enhancing our state's workforce.
