Hey,

No major revelations – we talked budget more than anything else. He said that CMS acknowledged receipt of the letter, but that there had been no other follow-up yet.

Are you on-site tomorrow? I know you told me, but I've been a little distracted and forgot the answer already...

Christian,  
Just checking in to see how your call with John went. Did he have any news on feedback from CMS on receiving the letter?  
Thanks!
