**Lisa Burley Eddings** A great idea but, a little out of reach for my family. I can't afford \$45.00 to go hear story telling and the food and the gas to get there.

**Laura Kirk** I've seen Kitty Wilson-Evans do her storytelling...really great! It made the hair on the back of my neck stand up.

**Jamie & Co. at Re/Max Executive** I agree, sounds like great family fun, but in this economy for 2 adults and 3 kids this out of reach....too bad the cultural experience would be wonderful and just minutes from my home! And really I only go to matinee movies twice a year!
