Subject: Confidential: Tax Reform Proposal

Attachments: Funding SC's Future-A Tax Reform Plan_6-5-17 Draft.pdf

Confidential .

Danny:

Attached is the Executive Summary of a major tax reform proposal we have been crafting at Palmetto Promise Institute. Hundreds of hours from a noted economist have gone into it, with funding from several foundations and individuals. Only three or four folks outside of us have seen it.

It won't please everyone, but when released will be the only concrete proposal out there.

Love to get your thoughts.

Oran
