Mary, we do not know in advance about these discounts. Typically they are offered only if occupancy is low. All I can tell you is to keep a watch on our park deals section on our website. All discounts are listed here as they become available: <http://southcarolinaparks.com/park-deals/default.aspx> Thanks.

Any chance you will offer a discount at Oconee State Park for next summer (2015). We are in need of 3 cabins to keep the family tradition going. Mary D. Lee
