That is what Tim Womack told me via the e-mail below. I will re-confirm with him and reply if anything different. The final version of their program / agenda is also attached.

Tim Womack (Appalachia) called me this afternoon to confirm that the LG was, in fact, planning / available to speak on **Monday, September 11, 2017** at the SE4A conference. In looking at the time slot he mentioned that morning **from 8:45a to 9:20a, they would like for the following people to speak / welcome the crowd during that time:**

- Mayor of Greenville
- Darryl (who would make a few remarks and introduce the LG)
- LG

Darryl, I will also need a picture of you and a short bio to include in their event book.
