Subject: Ribbon cutting for St. Vincent de Paul House in a Box (we were able to open because of a grant from SC One)

Dear Honorable Governor Haley,

We are going to be able to open our St. Vincent de Paul House in a Box® Warehouse because of a grant from SC One. We would love to have you at our ribbon cutting. We provide new furniture valued at \$6,000 to flood victims. We already have 300+ applications from all of the affected counties and aren't through registering yet. We are looking to set up a second House in a Box® in the Charleston Area. We are taking possession of our warehouse on February 15, 2016. The warehouse is located at 2716 Shop Road, Columbia, SC 29209. We are very flexible on the date and time and can work around Governor Haley's schedule. Would you please check and advise? Thank you very much for your help!

Marilyn L. Gray, President – St. Vincent de Paul Midland District

Co-chair – House in a Box®

115-A Library Hill Lane

Lexington, SC 29072
