Small, symmetric, side-gabled residence that is one room deep and two rooms wide.

Alterations (include date(s), if known):

House has not been used in many years - possibly decades. The residence is surrounded by dense vegetation on all sides. The front porch is partially collapsed, the porch floor is rotted, and most window glass and many window frames have been removed. This deterioration is due to lack of maintenance and neglect, and vandalism. Rolled asphalt siding has been applied to the exterior.
