Subject: RE: County Voter Registration Board - Directors

Attachments: Mailing Addresses - County Voter Registration.doc

---

Attached is a mailing label document for the county voter registration directors. This information was also obtained from the information Wanda sent to us today which was dated November 2005. The only address I don't feel comfortable with is the one for Barnwell County. I will contact them Tuesday for a possible PO Box.

Attached is a distribution list of the County Voter Registration Board Directors and their email addresses based on the information (dated November 2005) that Wanda sent to us today. Drag the attachment into your Microsoft Outlook address book.

In case the counties have difficulty receiving emails from our .net email addresses, I will create mailing labels for them too.
